Shipment of Horses - Guidelines

The OC will offer, through '**Janah Management Co Ltd**' and their appointed agents to co-ordinate the shipping of invited horses to and from Dubai on or after **11th / 12^h March (TBC)** and the return date will be one day after the event.

The OC will be shipping your horse from the designated International Airport of departure, and return air transportation to country of departure. However, any costs relating to a period spent in quarantine on export & return to their home country will be at the owner's expense including all internal horse transport & export preparation costs to meet the UAE Temporary Import requirements.

Tack & Equipment allowance will be in accordance with the guidelines provided by the Shipper. Any equipment which exceeds the prescribed limit will be charged and all additional expenses to be borne by concerned horse connections with no guarantee that the items will be shipped on the same horse flight. All Tack & Equipment should be cleaned & disinfected prior to shipment to & from UAE & be stored in Plastic – Metal Containers which can be handled (NO Wooden Crates) and sealed with a "wire tie" type of seal.

Any change from the suggested transport arrangement by the OC/Shipper which incurs additional cost will be at the owner's expense. The OC and its transport agents will not be liable for any death of or injury to any invited horses during transportation to and from the United Arab Emirates or while in the United Arab Emirates. The OC will not be responsible for horse and personnel insurance. Individuals should make their own insurance arrangements.

The cost of transportation from designated International Airports in UAE to Dubai International Endurance City and return will be covered by the OC. If Owners wish to ship their horse(s) to any country other than the country of origin / departure, they will be responsible for all costs and arrangements.

ALL horses on UAE Temporary Import Health Certificate MUST leave the UAE after the event. It will not be the responsibility of the OC or '**Janah Management Co Ltd**' & their agents to arrange parking of horse boxes at the airport of departure in the country of origin. It may be done at the owners risk and responsibility.
